Back ground of our institute

The Department of botany in S.M.L. Government Degree has been started in 1982. We have three years of students. First year syllabus includes viruses, bacteria, cyan bacteria, algae, fungi, byrophyta, pteridophyta and gymnosperms. Second year syllabus includes anatomy, reproductive biology, taxonomy and medicinal botany. Third year syllabus includes cytology, genetic, ecology and biodiversity. Four papers include Photosynthesis, Respiration, enzymes, nitrogen metabolism, biotechnology and horticulture.

The existing curriculum do not expose the students to present day agricultural needs such as new varieties in vegetables, cereals, millets, oil seeds etc. Knowledge of insecticides and pesticide and crop management is also very important thing for our students since they are coming agricultural back ground. Since our curriculum is purely theoretical we would like to enlighten our students with the help of your esteemed instate.
