

Best Practice. I
Career Oriented Programmes (COPs)

1. Title of the Practice: Career Oriented Programmes (COPs)

2. Objectives of the Practice

The objective in conducting the COPs is to help the student for his/her vocational development, to help them to choose proper courses in their further studies, to motivate the students for self employment, to develop readiness for choices and changes to face need challenges, to ensure the proper utilization of time spent outside the Class room right from UG level and to make them aware or identify the skills to acquire to get proper employment.

3. The context

Globalization of education and economy has led the Higher education to re-orient and re-shape its policies, practices and programmes to make the system more relevant and career oriented with focus on quality and excellence. The scientific and technological developments have changed the structure of the society, which includes the careers primarily, therefore there is a need to plan the careers as per abilities and capabilities from the very early stages of higher education. Professionally qualified graduates with a sound knowledge of their core disciplines and expertise in a concerned skill will have more openings in career and further education.

4. The Practice/Modus operandi

Keeping in view the above context, the College has a practice of conducting regular COPs and coachings for PG entrance. It used to provide awareness on Bank entrance examinations, knowledge on how to plan and prepare for Competitive exams with the help of expert lecturers from the local coaching centers. Almost lecturers from every subject are used to provide free coaching for PG entrance with material supplementation.

- a. **Competitions, Exhibitions, Quiz programmes**
- b. **Skill development Programmes/Certificate courses**
- c. **Provision of Nutritious food supplementation to the Games students to make them possible to participate and win in games and sports events**
- d. **Campus Placement Drives conducted in the year 2019-20**
- e. **Coaching conducted for entrance examinations to seek admissions into PG Courses and B.Ed., Bank Examinations, TET etc.**
- f. **Awareness programmes on job opportunities**

5. Evidence of success

The COPs dragged the attention of many students. They were motivated to prepare an action plan for their studies and to utilize the time spent outside the Class room right from this stage.

Increasing number of Students getting recognisable ranks in PG entrance examinations of various Universities in different disciplines is the best evidence of success of the COPs.

6. Problems encountered and Resources required

Provision of more number of computers with connectivity and reprographic facilities may help the faculty to enhance the quality of the COPs.

List of Career oriented programmes conducted by the institution

a. Competitions, Exhibitions, Quiz programmes

The institution conducts many competitions like Essay writing competitions, Debates, Quiz programmes, Poster competitions etc. on different occasions as Library week celebrations, National Voters day, HIV/AIDs Day, Environment Day, Road safety week, National integration day, International women day etc in order to ignite the creativity, to unleash the innate talents of the students to develop the presentation skills, to make them think on many social issues and to make them aware on General knowledge and current affairs. The winners will be motivated by awarding certificates, prizes, mementos etc

b. Skill development Programmes/Certificate courses

S.No.	Certificate course	Department	Date of introduction	Duration	Skill development
1.	Water analysis	Chemistry	02-01-2020	45 days	a) chemical analysis of water to estimate phosphate levels in river water and b) to detect the levels of ammonia and nitrate levels in waste water
2.	Vermi culture and Vermi composting	Botany and Zoology	06-01-2020	45 days	a)wastes segregation & processing b)Bed preparation for Vermicomposting c)Earthworm collection & application on beds d)Vermi compost collection
3.	Journalism	History and Telugu	02-01-2020	45 days	a) analyzing a case study and writing clear, concise and grammatically correct articles or prose.
4.	E- commerce and Digital marketing	Commerce	30-01-2020	45 Days	a) foster the written and verbal communication skills of students
5.	International Trade	Economics	30-01-2020	45 days	a) additional knowledge on the foreign trade, foreign exchange and stock market
6.	Arduino programming and interfacing	Physics	17-12-2019	45 days	a)Arduino programming and interfacing

c. Provision of Nutritious food supplementation to the Games students to make them possible to participate and win in games and sports events

Sri K. Chandra Sekhara Rao, College Physical Director has provided Eggs and Bananas for one month period to the students prior to their participation in Sports and Games competitions worth of Rs.2000/-

Students' participation in Sports and Games competition

Activity	Level	Participants
Intra Colleegeate Games and Sports competitions on the occasion of College day	College level	80
Intra Colleegeate Games and Sports competitions on the occasion of Independence day on 12-08-2019	College level	60
Preparation of Sports fields on Campus in the month of September 2019	College level	100
Participation of students in South zone inter university tournaments, hosted by VIT, Vellorefrom 9th to 12th Dec 2019	National level	4
Participation of students in Inter Collegiate Athletic Meet, RU held at Outdoor stadium, Kurnool in the month of December 2019	University level	6
Intra Colleegeate Games and Sports competitions on the occasion of Independence day	University level	15

Record of significant achievements in Sports and Games: 2019-20

S.No.	Record of significant achievement
1	B. Ashok, III B.Com. CA(Admin. No. 4257) was selected for the University Foot ball Men team, Rayalaseema University for the year 19-20 to participate in South Zone Inter University Tournament being hosted by VIT, Vellore from 9th to 20th Dec. 2019
2	B. Ashok, III B.Com. CA(Admin. No. 4257) has been selected for the University Foot ball Men team and represented Rayaklaseema University for the last two years

d. Campus Placement Drives conducted in the year 2019-20

The institution has organized a Campus placement drive with O3 Corporate companies through its campus placement mission JKC and the corporate companies that came forward to conduct campus placements are—

- NAVATA TRANSPORT
- RSMIPL
- KIML

Campus Placement Drive: 06.03.2020

A Campus Drive for different posts in various companies such as Mobile technician for RSMIPL, KIML and Office Executive posts for NAVATA TRANSPORT. 109 student Members from neighboring colleges and the hosting college were participated in the Campus Drive. 18 Candidates were selected for RSMIPL, 17 Candidates were selected for KIML and 18 members were shortlisted for Second Round Interview from the host college. 22 student participants from other colleges were selected.

f. Awareness programmes on job opportunities in LIC: 19.02.2020

S.No	Title of the Seminar/Training Programme	Dates	Collaborating agency
1	Career guidance and Counseling on job opportunities	19-02-2020	APSSDC

A One day training programme on Career guidance and Counseling on job opportunities was conducted by IQAC and Career Guidance Cell on 19-02-2020 to make student acquaint with the present day job opportunities and to aware them on the concept of market need and the essential skills to be acquire and enhance. Dr. A. Chandrasekhar, Master trainer and motivational agent was invited to provide counseling on the said content.

Best Practice. II

Virtual & Digital learning environment on Campus

1. Title of the Practice: Virtual & Digital learning environment on Campus

2. Objectives of the Practice

The objective of creating Virtual learning environment on Campus is to bridge the Digital divide among students from rural area and to provide access to ICT in teaching and learning in specific and also access to the expert lecturers teaching in other Colleges.

3. The context

Globalization of education and economy has led the Higher education to re-orient and re-shape its policies, practices and programmes to make the system more relevant and digital oriented with focus on quality and excellence.

4. The Practice/Modus operandi

Keeping in view the above context, the College has a practice of arranging virtual classes with the lecturers of the College and from other institutions. The College has established 03 Digital Classes this year and equipped them with **Digital boards -3, Digi cameras-3, Electronic Podium-3, 30 Laptops, 30 Tabs, Solar Power System, 2 LED TV Monitors, 2CC Cameras for Digital Class rooms and LCD projector, Digi Board, Monitor, CPU, Speakers, Equipment, White Board etc.** All most all the lecturers have been delivering their lectures through Digital classes.

- Virtual Classes conducted
- Digital Classes taken by the faculty of College
- Student enrolment to MOOCs
- Online faculty development programmes
- **Distinctive rise of e-learning- Covid 19 Pandemic Lockdown**
- Content development in LMS
- Registration to LMS and its utilization

5. Evidence of success

The rising enthusiastic level in students' interaction with lecturers online and the improvement of understanding the lessons in English medium is the best progress. Due to this exposure to ICT in T&L, more number of students are becoming computer literates.

6. Problems encountered and Resources required

Provision of more number of computers with connectivity and reprographic facilities may help the faculty to enhance the quality of the COPs.

a. Virtual Classes conducted:

Virtual Classes taken by the students:

S.No	Name of the Student	Topic	Date	No. of students	No. of Colleges Involved
1	III MPC students- chemistry 1. Sekhar, 2. Khasim	Classification of Polymers	25-02-2020	44 (I BSC)	01
2	II BZC student- Botany B. Uma Maheshwari	Meristems	27-02-2020	40 (I BZC)	01

b. Digital Classes taken by the faculty of College

e. Distinctive rise of e-learning- Covid 19 Pandemic Lockdown

The COVID-19 has resulted in educational institutions shut across the world. As a result, education has changed dramatically, with the distinctive rise of e-learning, whereby teaching is undertaken remotely and on digital platforms. Even before COVID-19, there was already high growth and adoption of ICT and virtual learning technology in education, there has been a significant surge in usage since COVID-19.

The faculty of SML Govt. Degree College has customised their TLE process by conducting online classes and Quiz competitions during the lockdown period.

Abstract Related to the Online Class work Conducted by the Teaching staff during Covid-19 Lockdown Period(27-04-2020 to 27-05-2020)

S.No	Name of the Lecturer	Number of online classes conducted	Number of Quiz Programmes conducted	Target group
1	Dr K.Nagaraja setty	25	01	I,II and III MPC and BZC
2	Srinivasa Ganapa	10	01	I,II and III MPC and BZC

4.3.3 Facility for e-content

g. Registration to LMS and its utilization

Andhra Pradesh Commissionerate of Collegiate Education has empowered the Government degree colleges with Learning Management System (LMS) web application which is an add-on to conventional teaching learning process. The application provides topic-wise text material, lectures delivered by the faculty of various Government Degree colleges and assessment questions. Our institution has enrolled both the teaching faculty and students in the application to derive it's all perks.

The institution wise registration and utilization data of LMS application.

Total No. of Faculty registered	34
Total No. of Students registered	299
Total utilization time	1331 minutes
