

## **BEST PRACTICE 1**

### **Finishing school activities**

#### **Title of the Practice: Finishing school activities**

**Objectives:** The objective in implementing these programmes is to build, ensure and enhance the quality culture both in academic and cultural aspects among the stake holders and to bring a noticeable transition rate among them.

**The context:** In the wake of Liberalization and privatization, the benchmarking has become mandatory. In view of this, it is the need of the hour to provide the student not only with subject content but also with value added additional inputs in the form of various finishing school activities. The very purpose of education is to bring out the innate talents of the students and to guide slow learners, to excel in both Curricular and Extracurricular activities and to achieve a holistic development of students.

**The Practice/Modus operandi:** Certain finishing school activities like Student Seminars, Quiz competitions, Talent test, Essay writing and Elocution competitions, Poster Presentation competitions are practiced in order to bring transition rate among the students.

#### **Evidence of success:**

- A noticeable decline in the number of slow learners.
- Better performance in the public examinations and due to this pass percentage of the college has gone up. The students got rid of their inhibitions, shyness and developed a high level of Self Confidence.
- A platform is provided to the students to bring out their unique talents and extra abilities.
- Students developed their communication skills and caliber.

#### **Problems encountered and Resources required:**

No Major problems encountered in the practice, because of the fact that these activities are being practiced as a part of regular curriculum to such an extent that has become the College Culture code. Due to psychological and social inhibitions even some of the advanced learners prefer themselves to remain unnoticed and untapped.

## **BEST PRACTICE 2**

### **GREEN INITIATIVES**

#### **Title of the Practice: Green initiatives**

Green Energy & SML Garage -The student Green Corps: Students' initiation to make the Campus Green & Eco friendly.

#### **Objectives:**

The objectives in establishing Green energy unit on campus are to educate the youth on the importance of conserving the environment by encouraging the adoption of a sustainable lifestyle. The objective in encouraging the units likes SML Garage –

- The student Green Corps is to inculcate good habits, care and concern towards Mother Nature and Environment.
- It is imperative act and responsibility towards the environment and society.
- The College believes in teaching through practice and therefore attempts to set an example for the students by adopting and encouraging a number of green initiatives.

#### **The context:**

Today's student is tomorrow's citizen. It is the responsibility of the educational institutions to mould the students as future good citizens with tender heart, kindness, social involvement and responsibility, civic sense and working knowledge.

#### **The Practice/Modus operandi:**

The Department of Botany and NSS Units conducts many society outreach programmes, social awareness programmes, rallies, volunteer programmes. It trains the students not only in studies but also in the social knowledge. One significant activity among them is motivating the students to initiate a good practice on their own. Hence this practice of SML Garage -The student Green Corps: One of the best activities with self initiative and implemented on the campus for the benefit of students in specific and for the Community on the whole.

The institution has installed 20 KVA roof top solar panels and off line grid which is linked it with the existing electricity grid system of the town. The energy generated will be stored with it.

- a. Solar Energy panels with off line grid
- b. SML Garage -The student Green Corps
- c. Oshadhi: Medicinal Plant Garden
- d. Compost from stew and litter
- e. Natural Rain water harvesting to Teak Garden

**Evidence of success:**

The Green Lustier of College Campus is a sign of the result and the appreciations received from local community, Print media is another one. Above all the serene and scenic beauty, the Dawn Chorus and Flowerets are the graceful and delightful evidences of success. The percentage of electricity consumption met by this green initiative of solar energy is 23% .

**Problems encountered and Resources required**

It is proud privilege of the institution and to have such a student cadre and to receive such recognitions. No problems are encountered and water facility on campus is to be upgraded. Financial constraints remain the biggest problem for expensive green initiatives like more number of rain water harvesting pits.

**Notes:**

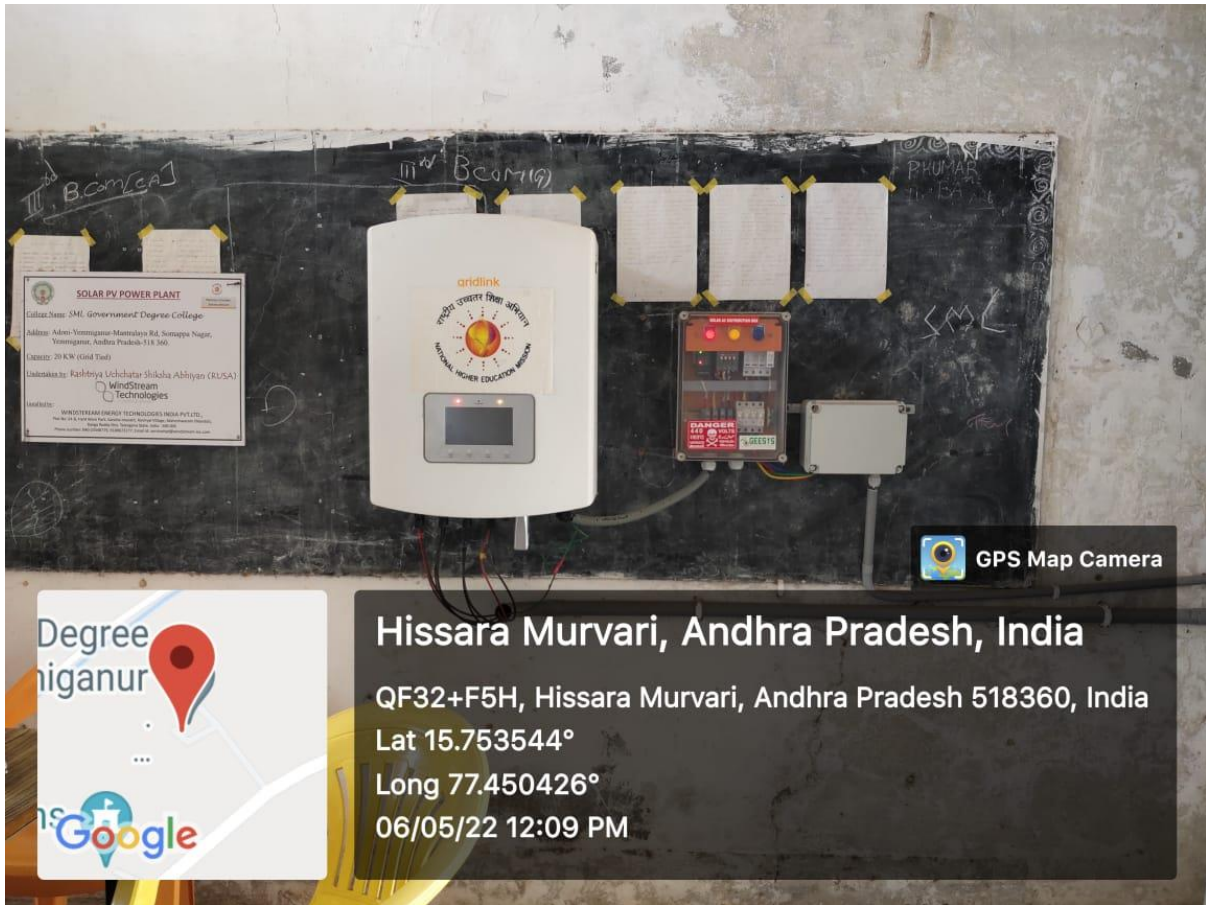

A group of twenty five students from III, II & I BZC, II B.A. II B.Com. have come forward voluntarily and form a group named SML Garage - The student Green Corps. They have taken the task of maintaining the College Garden such as land making, planting, watering, pruning, cleaning etc. They proved ones crave for greenery and eco friendly environment in the campus. The Principal of the College, IQAC, Dept. of Botany have recognized this tune-up for greenery and the said students were bestowed with the prizes of appreciation.
