

Best Practice. I
Career Oriented Programmes (COPs)

1. Title of the Practice: Career Oriented Programmes (COPs)

2. Objectives of the Practice

The objective in conducting the COPs is to help the student for his/her vocational development, to help them to choose proper courses in their further studies, to motivate the students for self employment, to develop readiness for choices and changes to face need challenges, to ensure the proper utilization of time spent outside the Class room right from UG level and to make them aware or identify the skills to acquire to get proper employment.

3. The context

Globalization of education and economy has led the Higher education to re-orient and re-shape its policies, practices and programmes to make the system more relevant and career oriented with focus on quality and excellence. The scientific and technological developments have changed the structure of the society, which includes the careers primarily, therefore there is a need to plan the careers as per abilities and capabilities from the very early stages of higher education. Professionally qualified graduates with a sound knowledge of their core disciplines and expertise in a concerned skill will have more openings in career and further education.

4. The Practice/Modus operandi

Keeping in view the above context, the College has a practice of conducting regular COPs and coachings for PG entrance. It used to provide awareness on Bank entrance examinations, knowledge on how to plan and prepare for Competitive exams with the help of expert lecturers from the local coaching centers. Almost lecturers from every subject are used to provide free coaching for PG entrance with material supplementation.

- a. Competitions, Exhibitions, Quiz programmes**
- b. Skill development Programmes**
- c. Provision of Nutritious food supplementation to the Games students to make them possible to participate and win in games and sports events**
- d. Campus Placement Drives conducted in the year 2018-19**
- e. Coaching conducted for entrance examinations to seek admissions into PG Courses and B.Ed., Bank Examinations, TET etc.**
- f. Awareness programmes on job opportunities**

5. Evidence of success

The COPs dragged the attention of many students. They were motivated to prepare an action plan for their studies and to utilize the time spent outside the Class room right from this stage.

Increasing number of Students getting recognisable ranks in PG entrance examinations of various Universities in different disciplines is the best evidence of success of the COPs.

6. Problems encountered and Resources required

Provision of more number of computers with connectivity and reprographic facilities may help the faculty to enhance the quality of the COPs.

List of Career oriented programmes conducted by the institution

a. Competitions, Exhibitions, Quiz programmes

The institution conducts many competitions like Essay writing competitions, Debates, Quiz programmes, Poster competitions etc. on different occasions as Library week celebrations, National Voters day, HIV/AIDs Day, Environment Day, Road safety week, National integration day, International women day etc in order to ignite the creativity, to unleash the innate talents of the students to develop the presentation skills, to make them think on many social issues and to make them aware on General knowledge and current affairs. The winners will be motivated by awarding certificates, prizes, mementos etc

b. Skill development Programmes

S.No	Title of the Seminar	Dates
1	A short term certificate course on Bouquet preparation by the Dept. of Botany for 50 students	10-07-18 to 10-08-18
2	A Two day Training Programmes on Soft skills by APSSDC	27-08-2018 & 28-08-18
3	A Two day Training Programmes on Computation Methods by APSSDC	25-01-2019 & 26-01-2019

c. Provision of Nutritious food supplementation to the Games students to make them possible to participate and win in games and sports events

Sri K. Chandra Sekhara Rao, College Physical Director has provided Eggs and Bananas for one month period to the students prior to their participation in Sports and Games competitions worth of Rs.2000/-

13 Medals and Certificates bagged in RU Athletic Meet by the College Students

S.No	Name of the student	Class	Event	Place
1	G. Chandrababu Naidu	II BZC	800mts Running race	II Place

4	C. Dharma Teja	MPCs
5	G. Chandrasekhar	II MPCs

d. Campus Placement Drives conducted in the year 2018-19

The institution has organized a Campus placement drive with 04 Corporate companies through its campus placement mission JKC and the corporate companies that came forward to conduct campus placement mission are—

- VINUTHNA FERTILIZERS
- DLSR FACILITY SERVICES
- EENADU MARKETING
- AUROBINDO PHARMA

Campus Placement Drive: 27-02-2019

f. Awareness programmes on job opportunities in LIC: 21-12-2018

Sri G. Mallikarjuna, Branch manager, Sri. S. Shiyazuddin, Asst. Branch Manager, Sri Vijay Kumar Reddy, Asst. Branch Manager of LIC Branch, Yemmiganur have conducted a Career oriented programme in College and motivated and registered the students to join as agents in LIC.

Best Practice. II
Virtual & Digital learning environment on Campus

1. Title of the Practice: Virtual & Digital learning environment on Campus

2. Objectives of the Practice

The objective of creating Virtual learning environment on Campus is to bridge the Digital divide among students from rural area and to provide access to ICT in teaching and learning in specific and also access to the expert lecturers teaching in other Colleges.

3. The context

Globalization of education and economy has led the Higher education to re-orient and re-shape its policies, practices and programmes to make the system more relevant and digital oriented with focus on quality and excellence.

4. The Practice/Modus operandi

Keeping in view the above context, the College has a practice of arranging virtual classes with the lecturers of the College and from other institutions. The College has established 03 Digital Classes this year and equipped them with **Digital boards -3, Digi cameras-3, Electronic Podium-3, 30 Laptops, 30 Tabs, Solar Power System, 2 LED TV Monitors, 2CC Cameras for Digital Class rooms and LCD projector, Digi Board, Monitor, CPU, Speakers, Equipment, White Board etc.** All most all the lecturers have been delivering their lectures through Digital classes.

- Virtual Classes conducted
- Digital Classes taken by the faculty of College
- Student enrolment to MOOCs

5. Evidence of success

The rising enthusiastic level in students' interaction with lecturers online and the improvement of understanding the lessons in English medium is the best progress. Due to this exposure to ICT in T&L, more number of students are becoming computer literates.

6. Problems encountered and Resources required

Provision of more number of computers with connectivity and reprographic facilities may help the faculty to enhance the quality of the COPs.

a. Virtual Classes conducted:

**Best Practice: III Green initiatives:
Green Energy & SML Garage -The student Green Corps:
Students' initiation to make the Campus Green & Eco friendly**

1. Title of the Practice: **Green initiatives: Green Energy
SML Garage -The student Green Corps:** Students' initiation to make the Campus Green & Eco friendly

1. Goal/ Objective: The objectives in establishing Green energy unit on campus are to educate the youth on the importance of conserving the environment by encouraging the adoption of a sustainable lifestyle.

The objective in encouraging the units like SML Garage- The student Green Corps is to inculcate good habits, care and concern towards Mother Nature and Environment. It is imperative act and responsibly towards the environment and society. The College believes in teaching through practice and therefore attempts to set an example for the students by adopting and encouraging a number of green initiatives.

2. The context: Today's student is tomorrow's citizen. It is the responsibility of the educational institutions to mould the students as future good citizens with tender heart, kindness, social involvement and responsibility, civic sense and working knowledge.

3. The Practice/Modus operandi:

The Department of Botany and NSS Units conducts many a society outreach programmes, social awareness programmes, rallies, volunteer programmes. It trains the student not only in studies but also in the social knowledge. One significant activity among them is motivating the students to initiate a good practice on their own. Hence this practice of **SML Garage -The student Green Corps: One of the best activities with self initiative and implemented on the campus for the benefit of students in specific and for the Community on the whole.** The institution has installed 20 KVA rooftop solar panels and off line grid which is linked it with the existing electricity grid system of the town. The energy generated will be stored with it.

- a. **Solar Energy panels with off line grid**
- b. **SML Garage -The student Green Corps**
- c. **Oshadhi: Medicinal Plant Garden**
- d. **Compost from stew and litter**
- e. **Natural Rain water harvesting: Teak Garden**

4. Evidence of success: The Green Lustier of College Campus is a sign of the result and the appreciations received from local community, Print media is another one. Above all the serene and scenic beauty, the Dawn Chorus and Flowerets are the graceful and delightful evidences of success. The percentage of electricity consumption met by this green initiative of solar energy is 23%.
5. Problems encountered and Resources required
It is proud privilege of the institution and to have such a student cadre and to receive such recognitions. No problems are encountered and water facility on campus is to be upgraded. Financial constraints remain the biggest problem for expensive green initiatives like more number of rain water harvesting pits.

a. **Solar Energy panels with off line grid**

The institution has installed 20 KVA rooftop solar panels and off line grid which is linked it with the existing electricity grid system of the town. The energy generated will be stored with it. There has been a sharp decline in the total electricity consumption after the installation of solar panels

- b. **SML Garage -The student Green Corps:** One of the best activities with self initiative and implemented on the campus for the benefit of students in specific and for the Community on the whole.

Brief Description: A group of twenty students from III B.A. III BZC, III B.Com.and I BZC have come forward voluntarily and form a group named SML Garage - The student Green Corps. They have taken the task of maintaining the College Garden such as land making, planting, watering, pruning, cleaning etc. They proved ones crave for greenery and eco friendly environment in the campus. The Principal of the College, IQAC, Dept. of Botany have recognized this tune-up for greenery and the said students were bestowed with the prizes of appreciation.

SML Garage - College Green Corps

S.No.	Group/Class	Name of the student
1	III BZC	B. Sivanarayana
2	III BZC	S. Ali basha
3	III BZC	G. Krishna Murthy
4	III BZC	K. Veeresh

The Green Corps of SML Garage at their Mission

c. Medicinal Plant Garden and collecting seed variety: An initiative taken up by the dept. of Botany and SML Garage - The Campus Green Corps in the year 2018-19. This initiative contributes to the expansion of the already green campus

d. Natural Rain water Harvesting:

The rain water from the hill area which is opposite to College is used to flow into campus and to deposit in the land fill area. The department of Botany and NSS Unit have reared Teak plantation to utilize the resource.

One water harvesting unit is constructed near gate and bore well to capture the rain water and to maintain the ground water levels sufficient in summer.

e. Compost from stew and Litter:

The Green corps of the campus used to collect the dried leaves and stew at fixed intervals and keep it in a pit to form compost. The prepared compost is used for medicinal plant garden.

f. The e-academic and administrative management system communicating information through mails, what's app messages and duplex printing have visibly reduced the use of paper in the College.
