Date: 30.10.2021  
Presenter: Sri E.V.Bhaskara Reddy  
Lecturer in English  
Topic: Word Power  
Attendees: Principal & Faculty of the College

**Brief Report:**

The second session of Faculty Forum of the College was held on 01.12.2021 under the chairmanship of Dr.B.Devika Rani, Principal. Sri E.V.Bhaskara Reddy Lecturer in English gave a power point presentation to the faculty of the college on "Word Power". He began his presentation explaining to the audience that learning a language is learning a skill and one acquires a skill only by doing it, in the sense that one becomes good at a language only by using it in one's day to day life. He, then, turned his attention to the role of vocabulary in the mastery of a language. He said that "Words are the building blocks of a language". It is the words with which we clothe our thoughts, feelings, emotions and ideas. He, then, went on to explain what it means to learn a word. Learning a word involves learning its correct pronunciation, spelling, phrases associated with it, collocations and words that are often confused with it. He illustrated each point with concrete and relatable examples. The programme ended with the vote of thanks proposed by Dr. H.Ramasubba Reddy, Lecturer in Zoology.
